Mr. Ron Tobano
Principal
John V. Lindsay Academy Charter School
17 Battery Place
New York, N.Y. 10004

Dear Mr. Tobano:

Thank you for welcoming Hunter College teacher candidates into your school during the 2008-2009 school year. Your school continues to provide quality field experiences for the teacher candidates while working with experienced practitioners. It is through this collaboration that we are able to continue to encourage and guide quality urban educators.

Through your support of the Hunter College Adolescent Education teacher education program, and allowing the placement of teacher candidates at your school, we are able to expose our interns to diverse learners, myriad instructional styles, and sound pedagogy. The teacher candidates become fully immersed in teaching and applying the skills necessary to becoming grounded and knowledgeable professionals.

Once again I thank you for your commitment in training our teacher candidates and I look forward to continuing this fruitful collaboration.

Sincerely,
